Elentra Bulletin for PostMD

Issue #7

Elentra is the electronic platform being used to capture and report on resident assessment in a Competency Based Medical Education (CBME) curriculum. This PostMD Bulletin provides just-in-time news plus tips and tricks relating to Elentra for Program leadership, administrators, faculty and residents.   If you have any questions, or comments, please send them to the Elentra Help Desk at:

mededhelp.postmd@utoronto.ca

A new version of Elentra (1.17) will be released in July. It includes a number of new developments and features based on feedback from U of T users, recommendations from the Best Practices in Evaluation and Assessment (BPEA) committee, as well as enhancements offered by the national Elentra Consortium.

The changes to be implemented for early July are highlighted below – with more being implemented throughout July and August (to be highlighted in our next Bulletin!).

- Expiry of EPA assessment requests 7 days from initiation
- EPA reminders that can be triggered by learners
- Full EPA title to be shown on the Assessment Initiation Screen
- Date of Encounter to be featured on Completed Assessments

Faculty and Residents – EPA Expiry

EPA Assessments that have not yet been submitted will expire 7 days after initiation from the Start Assessment page (for Complete Now assessments) or 7 days after having been sent to the assessor (for

Complete and Confirm via Email assessments). To reset the expiry date, please email
medednelp.postmd@utoronto.ca or your Program Administrator:
